

Simple, accurate, good value

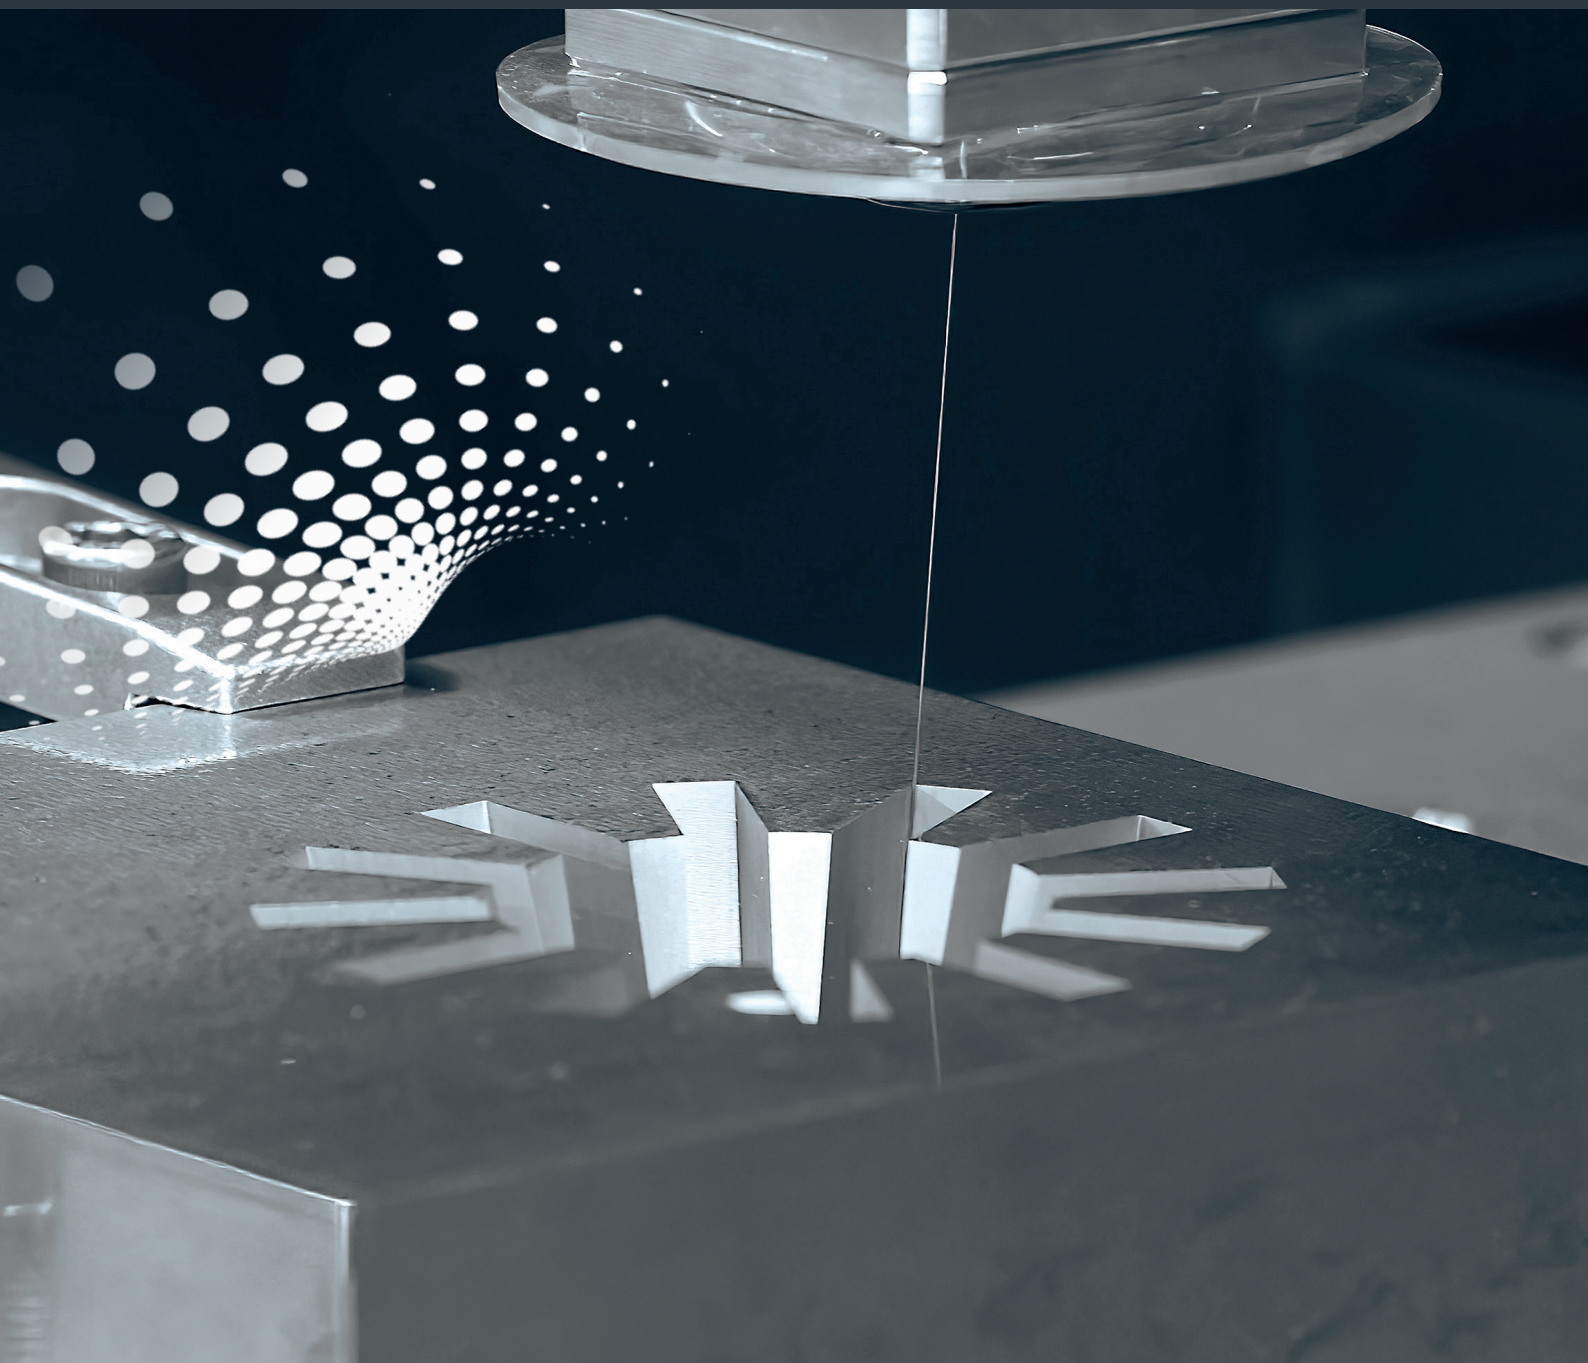

WEDM ecoLine Product Line

Clamping
workpieces
systematically

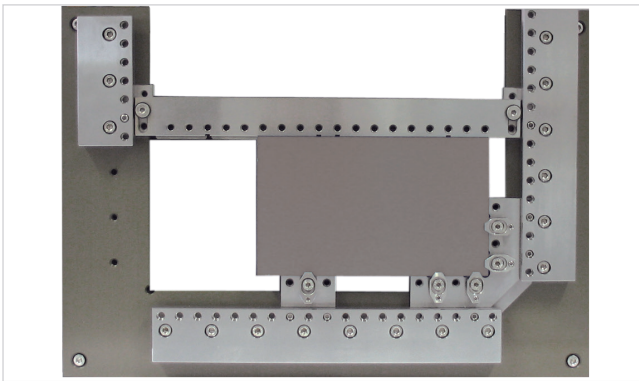

Modular, precise, durable – consistently implemented

The EROWA WEDM ecoLine equipment impresses with its sophisticated modularity, high repeat accuracy, and robust construction. Whether you're equipping machine tables or clamping the smallest workpieces, the ecoLine product range provides proven, ready-to-use components that are precisely coordinated for optimal performance.

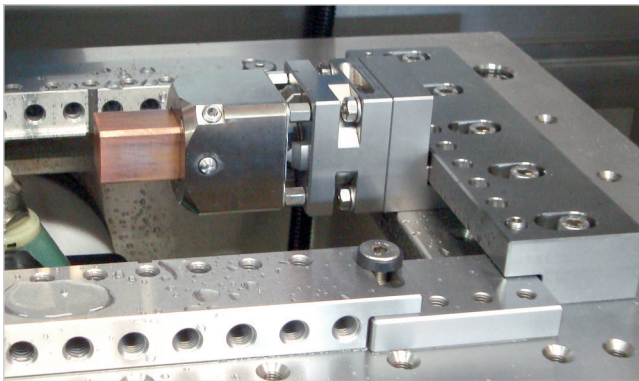

Simplifying the world of wire EDM

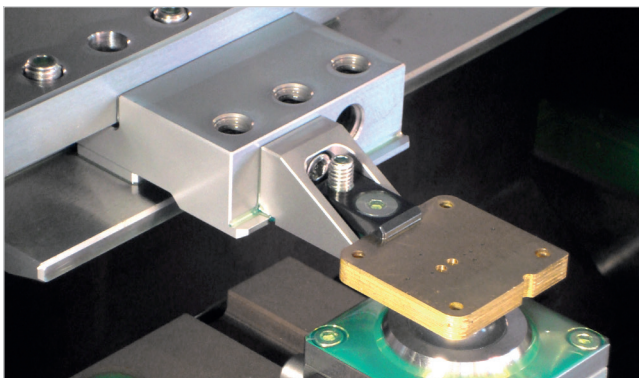

Invest once – use for a long time. The modularity of EROWA WEDM ecoLine equipment offers a sustainable investment and opens up a wide range of applications for a variety of wire EDM requirements.

The rulerset is the ideal way to get started. Incredibly easy to use and versatile for a wide variety of workpiece shapes.

Expanded clamping options tailored to your exact needs: base strips enable quick and efficient clamping of workpieces, while additional clamping elements can be positioned precisely in the reference location.

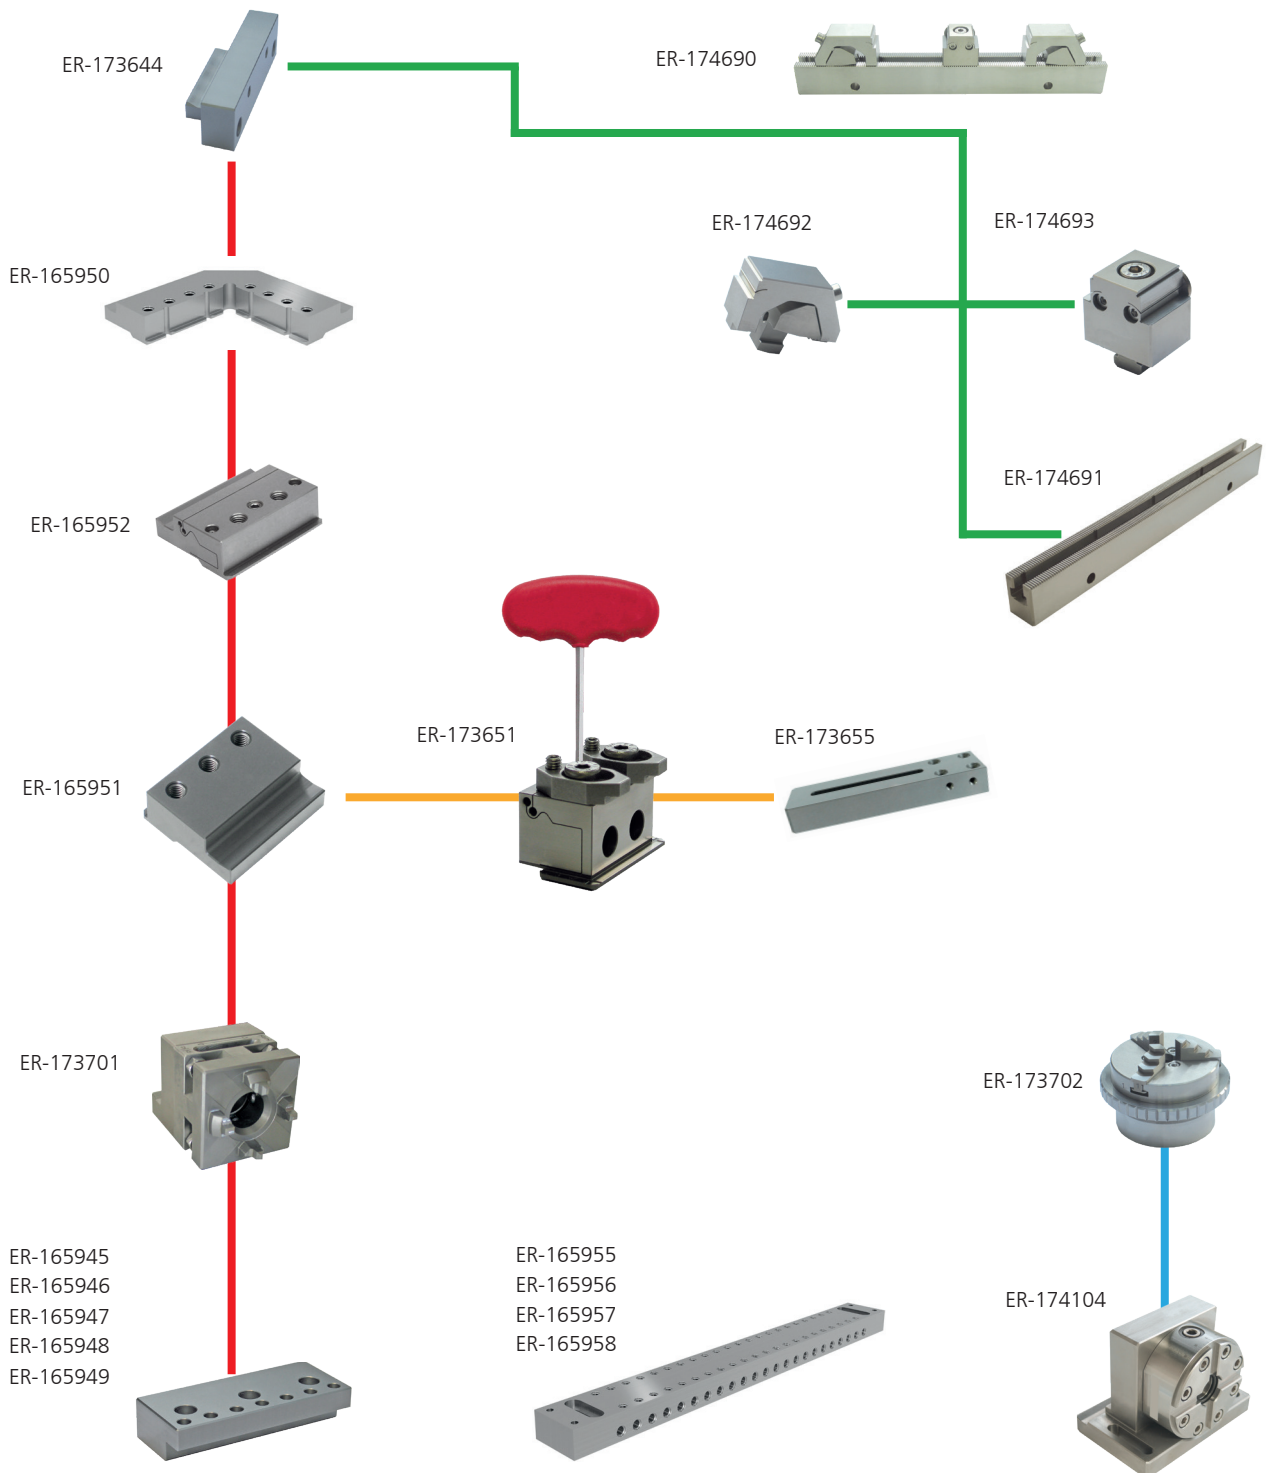

The mini universal clamping plate – as simple as it is ingenious. One of the many truly useful components in the EROWA WEDM ecoLine clamping system.

THE FACTS

- High quality
- Easy installation
- Practical use

Here you will find all EROWA WEDM ecoLine products listed in ascending numerical order. Use the QR code to obtain detailed information about each product.

Product	EROWA WEDM ecoLine
Base rail 140mm	ER-165945
Base rail 180mm	ER-165946
Base rail 230mm	ER-165947
Base rail 320mm	ER-165948
Base rail 380mm	ER-165949
Bracket Clamp	ER-165950
Front Clamp	ER-165951
Front Clamp Z-Vario	ER-165952
Clamping beam 490x60x30mm / A=420mm	ER-165955
Clamping beam 550x60x30mm / A=480mm	ER-165956
Clamping beam 565x60x30mm / A=495mm	ER-165957
Clamping beam 740x60x40mm / A=670mm	ER-165958
Base rail adapter IF100/30	ER-173644
Z-Flex	ER-173651
Z-Flex Support 170mm	ER-173655
Mini bracket 22x13x3.8mm	ER-173656
Mini universal clamping plate	ER-173657
Z-0 Support plate 4/9mm	ER-173668
Z-0 Support plate 69x22x3mm	ER-173678
Spacer plate 28x14x2mm	ER-173679
Bracket 70	ER-173682
Pressure piece ø 20x10mm M8 ALU	ER-173684
Pressure piece extension ALU	ER-173685
Pressure piece 2-piece adjustable	ER-173687
HighPower magnet D20mm h7	ER-173688
QuickChuck 50 on angle	ER-173701
Three-jaw chuck 63 stainless 0-56mm	ER-173702
WEDM angle index table 80	ER-174104
WEDM clamping rail 320	ER-174690
Clamping rail 320 B28	ER-174691
Pull-down precision sliding jaw	ER-174692
Pull-down precision double stop B28W	ER-174693
3D ViseSet 220B28 with base rail 140mm	ER-174694
WEDM Tool Set	ER-174695
Ruler Set	ER-174696

EROWA - Manufacturing automation at its best

EROWA AG, founded in Switzerland in 1971, is now a globally operating organization specializing in the development, production, consulting, and distribution of state-of-the-art manufacturing technology for tool and mold making, as well as for production and precision engineering. With their headquarters located in central Switzerland, EROWA ranks among the world's leading companies in clamping technology and automation. Having 13 subsidiaries and 22 representatives, EROWA offers international points of contact and worldwide customer service.

Empowering Your Production

The next step towards greater efficiency, precision and productivity starts now. With EROWA, you have a partner who will optimize your production holistically - from clamping technology to automation and process control. Our innovative solutions adapt flexibly to your requirements and grow with you - for production that is ready for tomorrow.

Get in touch with us - we will be happy to assist you.
